Installation examples

CablePort frame

Costefficient and flexible installation solution

For the module holders 7449 000 xxx 4- or 6-fold

Applications:
- Office, conference rooms
- Sales rooms, shop windows
- Hotels
- Kitchens
- For integration in a piece of furniture

Quality made in Germany
by Kindermann

CablePort frame slide

With „hovering" sliding cover

When closed all the connections are neatly protected against dust and dirt. For using the interfaces both halves of the cover are pushed aside.

Integrated, invisible plastic guides allow the covers to „hover" over the surface of the desktop.

Ideal to be associated with lowered outlet box 7464 000 450.
