

RC Copper tape

The copper leaf is a simple and discreet implantation solution for a installation of a magnetic loop.

RC can be fitted under most coverings : carpet, wood, tile, linoleum, laminate, vinyl.

Following the installation, the cable isn't visible under coverings and is secured on the floor with a printed warning tape.

Mounting accessories

ADH RC	Protection adhesive tape (length 60 meters, width 75mm)
C10-RC	Terminal block (length 15mm, width 10mm) ; packs of 10 units
